LEVINE SEEKS PAPER TRAIL TO SAFEGUARD ELECTRONIC VOTES

Touch-Screen Voting Wave of the Future, But Seeing is Believing Assemblymember Says

WHAT: Assemblymember Levine will discuss his legislation to ensure proper safeguards – including ballot paper trails – are used when elections are held using new touch-screen technology. Levine will cast his vote for the March 2nd election using the new technology to highlight how voter-verified printouts would help in the event of a recount or audit to detect voter fraud or manipulation of electronic voting systems.

WHEN: 11 a.m. Thursday, February 26

WHERE: Touch-Screen Voting Site
Meeting Room A, Los Angeles Central Library
630 W. 5th Street, Los Angeles
